This abstract and trendy debut collection of brand MUAAK was displayed at the India Resortwear Fashion Week in Mumbai. The bright colours, mirror work and abstract prints made this collection highlight of the Fashion Week. The music, the beautiful garments and the elegance of the models made a successful show for brand MUAAK.

The icing on the cake was the showstopper, Kangana Ranaut. As she walked the ramp with grace and poise, the audience was awe struck. And as the designer Archana Kochhar joined her on the ramp, the entire venue echoed with applauds for minutes.
