Indian sari remains the traditional clothing of Indian women. Worn in
varied styles, it is a long piece of flat cotton, silk or other fabric wo
different textures with different patterns. The sari has a lasting ch
since it is not cut or tailored for a particular size. This graceful fem
attire can also be worn in several ways and its manner of wearing as well
as its colour and texture are indicative of the status, age, occupation, region
and religion of a woman.
