Once a great wise sage spoke of a sparkle, a glow which would consume the planet with its intensity. These maidens were born soon after, and from a very young age glowed brighter than the remaining universe. Today, their sparkle and that of their dazzling clothes have infected the universe with their inherent charm. The prophecy came true.

season preview

Once a great wise sage spoke of a sparkle, a glow which would en-
compass the planet with its luminosity. These maidens were born some
after, and from a very young age glowed brighter than the surrounding
universe. Today, their sparkle and that of their dazzling clothes have
illuminated the universe with their inherent charm. The prophecy came
true.

"Charming"

Once a great wise sage spoke of a spark, a glow which would consume the planet with its intensity. "These diamonds were born soon after, and from a very young age gleamed brighter than the remaining minerals. Today, their sparkle and that of their dazzling sisters have infected the universe with their ethereal charm. The prophecy came true!"
