*Marvellous fashionista*  
sometimes I put on a ski mask and dress in old clothes  
go out on the streets and beg for quarters

*Timeless Beauty*

A woman's dress should be like a barbed-wire fence  
serving its purpose without obstructing the view.

*Season's piece*

Good humor is one of the best articles of dress one can wear in society  
Language is the dress of thought!

*Staple your winter*

Real style is never right or wrong its a matter of being yourself on purpose.
