## The Glaze Beauty

You can never take too much  
care over the choice of your shoes.  
Too many women think that they are unimportant,  
but the real proof of an elegant  
woman is what is on her feet.

A little white dove that's dark and black in spots, a graphite-gray with some ash-blue under. A keeper that's big in all the right ways. Shining through Eucalyptus stems from "west the top" of his neck right to just inside his ears. **Black.**
