Elegance of the yesteryears...!

Beauty is what you make of yourself not how act, how you dress, how much
makeup you wear. It's how you present yourself.

The fashion couture

Fashion is not necessary about labels its not about brands its about something else that comes from within.

Fashion is a great thing. It's a way to express who you are. Fashion is a language some know it, some learn it, some never will like an instant.

Motivation Determines what you do

Fashion is inspired by youth & nostalgia & draws inspiration from the best of the past. I dress for the image, not for myself, not for the public, not for fashion, not for men.

Since 2003

Be sure what you & be sure about yourself. fashion is not just beauty, it about good attitude you have to believe in yourself & be strong

Womans Fashion

A woman's dress should be like a barbed-wire fence: serving its purpose without obstructing the view
