An Indian woman's wardrobe is considered incomplete if it does not have at least one such sari. A sari is one of the most graceful outfits for a woman. It is traditional, modest yet stylish and trendy. When we speak of saris, a silk sari is perpetually the most elegant.

A silk sari is not a mere garment — it is a living testimony of the subcontinent's handweaving skills. It's also a personal museum of memories, of sorts, with a grandmother or the mother handing her bundle of silk stories over to the next generation with the care.
