Style and Attitude

I learned from working in the fashion world that if I have a day when I feel slapped in the face, or if someone has been mean, I just have to get back up and it will be another day.

Heritage FASHION

A close-up portrait of a woman wearing a red kurti with a large, ornate gold-colored brooch at the neckline. She is also wearing large, ornate earrings and a ring. The background is a dark wooden door with a decorative lattice window.

Everything in the universe has a purpose. Indeed, the invisible intelligence that flows through everything in a purposeful fashion is also flowing through you.
