COLOUR YOUR LIFE

Fashion should be a form of escapism,
and not a form of imprisonment. Don't
forget to fall in love with yourself first.
Dress like you're going to meet your
worst enemy today.

HAVE IT YOUR WAY

Fashion is a tool. To compete in life outside the home. People will like you better, without knowing why, because people will react well to a person they like the looks of.

A STYLE FOR EVERY STORY

Clothes are like a good meal, a good movie and great pieces of music. Dress like you're going to meet your worst enemy today.

BE ALL YOU CAN BE

Some people think they have to look like someone else. They have to wear makeup. You don't have great legs, then you have to put on leggings. I wanted to show that women who live and work, not the woman in a painting, are the real beauty.

QUALITY
NEVER
GOES OF
STYLE

Fashion is a trend. Style lives within a person. Fashion is a language. Some know it, some learn it, some never will like an instinct.
