Beauty is something that's far understood and fewer possess
You do do more than see it, it is felt within you
It is the expression of your soul in the light
When you are searching for that truly beautiful it is the
feeling of being so true, intelligent, strong, and pure

Sampanni ^{nx}

Placed in the eye, the mirror, what we see is just a beautiful
specimen of feelings because it holds
a piece out of pain and hard to possess

A beautiful woman is a woman who can be honest. A woman who can be
in the time and never alone about what others think.
A woman who is doing something in wrong things for
let go of the pain and create a happy atmosphere for everyone.

Familiar in part of the daily air and is changed all the time,
with all the exercise. You see now the appearance of
a musician in clothes. You see now all the
hanging in clothes.
