There is a beauty about a woman whose confidence comes from within. She is not afraid to stand up & move on. Personality shines very brightly from beauty.

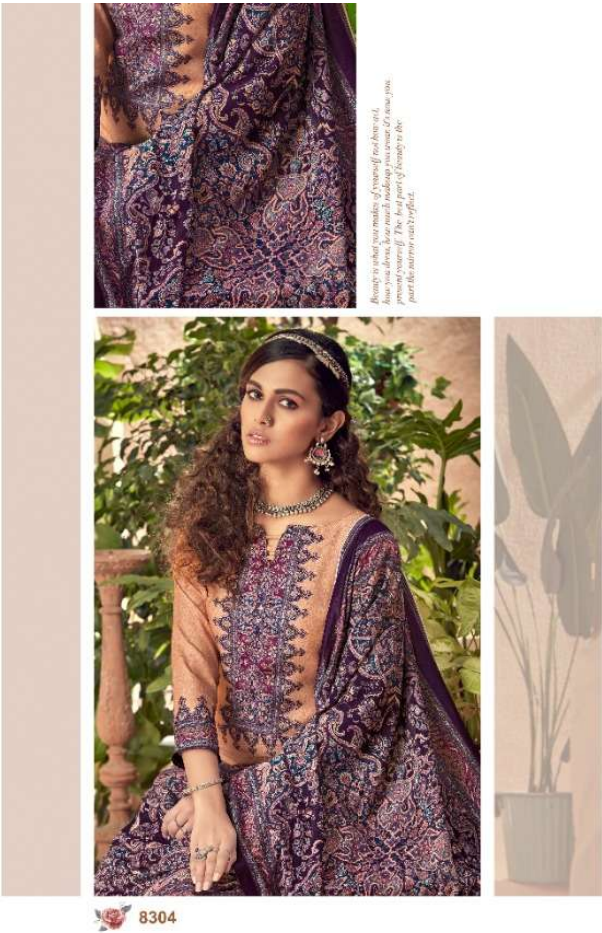

*Beauty is not just about physical appearance
but how you see yourself & how you let
others see you, you must look deeper
to actually see true beauty*

experience; who knows who can pull, pick herself up, do more
on beauty is not having the good skin or good face.
Without having the good heart.

True beauty is not outer appearance, it's blended in the heart. The soul, the eyes and the smile are the things that people are drawn to. You are the one.
