

A still life composition featuring a variety of autumnal items. In the upper right, a pomegranate is cut open, revealing its red seeds. To its left, a cluster of raspberries is visible. Below these, a large, textured seed head, possibly from a sunflower or similar plant, is the central focus. The lower half of the image is dominated by several flowers, including a large pink carnation, a red rose, and a pink orchid. To the right, a bunch of purple grapes is visible. In the bottom right corner, a portion of a pumpkin is seen. The background is dark, making the vibrant colors of the items stand out.
