A framed advertisement featuring a woman in the same black lace dress as in the first image. She is shown from the waist up, looking slightly to the side. The dress is highly detailed with lace and a sheer overlay. She is wearing a pearl necklace and earrings. The background is a checkered floor and a hallway.

Essence of perfection

fashion is not something that exists in dream only. Fashion is in the sky, in the street fashion has to do with where the way we live, what is happening.
