## TIMELESS PURPLE

The poets, bard and musicians still write odes about the woman in Purple, who claims the hearts and minds of all who behold her. She is immortalized and her tales pass from generation to generation as the legend of a Goddess. Little do they know that she was as human as you or me.

*Ravishing*  
beauty is being the best possible version  
of yourself in the inside & out.

## OPULENT IVORY

Whiter than pure white. Like the tusks of the elephant which carry her. Like the morning sky dotted with clouds. Like the promise of a warm and comforting future. Like the dress she wears when she rules the land, and all the lands beyond...shining with dreams, power and magnificence. Like perfection.

THE HEAVENLY VIOLET

They gossip. The material of her dress is not from this world. How else can one achieve such levels of perfection and induce such ecstasy upon her subjects at the barest glimpse? Some say that every night, she enters a doorway which takes her to another world - one where beauty still reigns supreme.
