Love permeates through the stars and space and time. A force which binds our universe,
and makes its particle eternal ether.

SAREES n BEYOND...
31674
When our mind is calm, away from all the motions,
it reflects the eternal, getting us to know, who we really are.

31686

An intermingling experience; where the warmth of the sun and the breeze of the moon meet.
The moment makes us halt, and let us witness the beautiful creation of nature.
