*Fashion Trends*

After the 70s coming the eighties and the fashion industry at present it is all over the place and we are only the way to the future. There has been a lot of change in the way we design, making clothes and people's overall attitude. The 80s and 90s were all about the individual and the fashion industry at present it is all over the place and we are only the way to the future. There has been a lot of change in the way we design, making clothes and people's overall attitude. The 80s and 90s were all about the individual and the fashion industry at present it is all over the place and we are only the way to the future. There has been a lot of change in the way we design, making clothes and people's overall attitude.
