Nymph of the woods

Today the beings from within the forest walk about aimlessly. They are in love! They glimpse upon the dress clad, petite, and attractive being who treads the woods, bringing joy wherever she goes and in her wake they follow, mesmerized.

Reveries of the eye are not always with the things it sees. Sometimes the things that look best are the things that are not there at all. It is the things that are not there that are the things that are most interesting. It is the things that are not there that are the things that are most interesting.

Nymph of the woods
Tender the bright form. Almond the breast with a soft melody. They are its love! They gather up the breeze and, with it, and it breathes her in her breath. The world is bright, an atmosphere of joy and in her world they feel, in a moment.
