Nymph of the woods

Today the beings from within the forest walk about aimlessly. They are in love! They glimpse upon the dress clad, petite, and attractive being who treads the woods, bringing joy wherever she goes and in her wake they follow, mesmerized.

Reveries of the eye are not always with the things it sees. Sometimes the things that look best are the things that are not there at all. It is the things that are not there that are the things that are most interesting. It is the things that are not there that are the things that are most interesting.

Nymph of the woods
Tread the forest floor. Adorn the forest with a little femininity. They are its best. They capture the essence of the forest, and it brings her to life. The woods bring her an atmosphere of peace and in her world they feel, she is home.
