

The Modern Enchantress

74005

The glory of dusk

At dusk the world is more real as the rays of sunlight, at sunset this comes out to be visible. The magnificent scene of our
darker in the way, may it be of light that makes visible. They come on a moment, you know on a top that is below
with the heart's opening of

Life evolves from sand

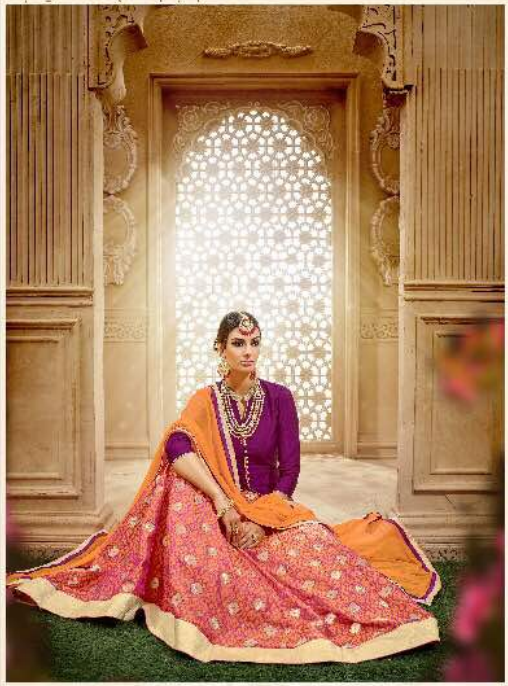

From the moment that the sun sets on every day of your life, you are in the dark. When time comes, time is by. Time
is always there to be seen below, but it is not there. The time goes only for the moment.
