Weaves Vatika silk

Part - 1

The development of these self-fashion is undoubtedly because of the rise in the use of social media. Clothing made of materials such as wool, silk and cotton
has been traditionally used by many because they protect their bodies from the elements.

fashion industry

The development of dress and fashion is inseparably from the evolution of a nation's social structure and culture. Clothing is not only a means of protection and warmth, but also a symbol of status and identity. The development of these sarees is an extremely long and arduous process of trial and error. The designers of these sarees are extremely hardworking and they are not only good designers but also good artists. They are not only good designers but also good artists. They are not only good designers but also good artists.
