1001
I wear my sort of clothes to save me the trouble
of deciding which clothes to wear.

SV SHUBH^{nx}

Over the years I have learned that what is important in a dress is the woman who is wearing it.

When you don't dress like everyone else, you don't have to think like everyone else.

SN SHUBH^{INX}

I love green because it affirms, designs, and styles.
A woman in a black dress is a pencil stroke.
