

Life  
OF  
Colour

*"A colour, when seen from the point of view  
of the soul, is a universal colour, and with  
nothing else in the world of things, the  
beauty of a colour is not in the  
colour itself, but in the way it is seen  
from the soul."*

Life  
OF  
Colour

*A woman who lives the life of the  
day, finds it a natural colour, and with  
nothing, she gives a feeling of life. The  
beauty is in every step, and the world  
can still keep the dream from the dreamer  
graceful.*
