CULTURE

Fashion is about sarees according to what's fashionable. Style is more about being yourself.
Fashion is about dreaming and making other people dream.

UNIQUE
Charm And
BEAUTY

I love making people laugh and feel good, and that's awesome and special for me to be able to do that, but there really is nothing like kicking ass whether it's on a major scale, or whether it's in more of a dramatic fashion. Being physical and taking care of business the old-fashioned way is something that I love doing.
