Jaam satin neck embroidery. mal dupatta

Beauty is when you can appreciate yourself.
When you love yourself, that's when you're most beautiful.

The beauty of a woman is not in a facial mode but the true beauty in a woman is reflected in her soul.

There is in true beauty, as in
courage, something which
narrow souls cannot dare to admire.

In love fashion & there is no easier way to express yourself than through the clothes you wear. The difference between style & fashion is quality.

↔ D.NO.1105 ↔

I appreciate simplicity, true beauty that lasts over time, and a little with and eclecticism that make life more fun.

Since love grows within you, so beauty grows. For love is the beauty of the soul. Inner beauty should be the most important part of improving one's self.
