dress may look beautiful on a hanger, but that means nothing. It must be seen on the shoulders, with the movement of the arms, the legs, and the waist.

*Every
fashion*

is temporary but the
concept of fashion is permanent!

D.N.B 1004

To
have an independent mind,
to think for oneself; not to
follow fashion, not to seek
honour or decoration, not to

Clothes can suggest, persuade, console, inspire, or indeed lie, and apply subtle pressure on the wearer's conscious, franky and straightforwardly of other matters.

to withstand the elements,
I dress to be as
interesting as the Tide. I dress to insert
myself into social strata,
to be accepted, to pass.

is

modest and arrogant at
the same time. Black is lazy and
easy - but mysterious. But above all black says
this: "I don't bother you - don't bother me"
