

The  
**FASHION  
FIESTA**

Some say... "The fashion is simple, the  
work is hard." But this is not the case  
with the "The Fashion Fiesta" collection.  
The designers have created a collection  
of clothing that is both stylish and  
comfortable. The collection is a true  
work of art.

GRACE  
THE COLLECTION

ETHNIC  
*Elegantly*

*Some say, 'the finest of fabrics' have  
only to do with the way they are at  
their best. But grace, the true  
price of style, is the way they are  
worn. And when you are, you are not  
just a girl, you are a girl who glows.*

Vini

*Some say all that glitters is  
not gold. That might be what  
they think when they stare at  
your ethnic dress. They don't  
realize that what you're wearing  
is more precious than gold,  
and makes you look like a  
true goddess. The beauty of  
the sublime dress.*

*Of love*

As the days pass, an elegance  
evolves and one gets ideas  
from the subtle hues of glorious  
flowers, their beauty is a  
constant source of inspiration  
for the most graceful you.  
These designs are also  
designed in garments which  
never fade with time, with  
trends, with fashion.
