**FASHION  
FIESTA**

Some say... the fashion is simple. They  
say it's simple. But it's not. It's not  
simple. It's not simple. It's not simple.  
It's not simple. It's not simple. It's not  
simple. It's not simple. It's not simple.

ETHNIC  
*Elegantly*

*Some say, "The finest of fabrics have  
only to be used when they are at their  
best." Here, the finest of fabrics  
have been used to create a look that  
is both elegant and sophisticated.*

*Some say all that glitters is  
not gold. That might be what  
they think when they stare at  
your ethnic dress. They realize  
that what you're wearing  
is more precious than gold,  
and makes you look like a  
true goddess. The beauty of  
the sublime dress.*

evolves and one gets ideas  
from the subtle things  
showing their beauty in a

due to the world around you.  
These elements are also  
found in garments which
