# the new girl

The natural colours that are used for designs are most ideally suited to our selections of different fabrics and the additional value added works of embroidery of a high class order. Nothing matches better than the different and vastly varied ethnic designs for our prints with detailed and elaborate motifs of pure art.

# FOREVER FASHION

Change of fashion is the tax levied by the industry of the poor on the vanity of the rich. It will just look ridiculous, year after year. All fashions are changing or rather relatively changing, each one being a new striping, more or less well conceived, after beauty, as appropriate to the taste of the time, the desire for which constantly varies. The taste itself however is fixed.
