# R I N A Z

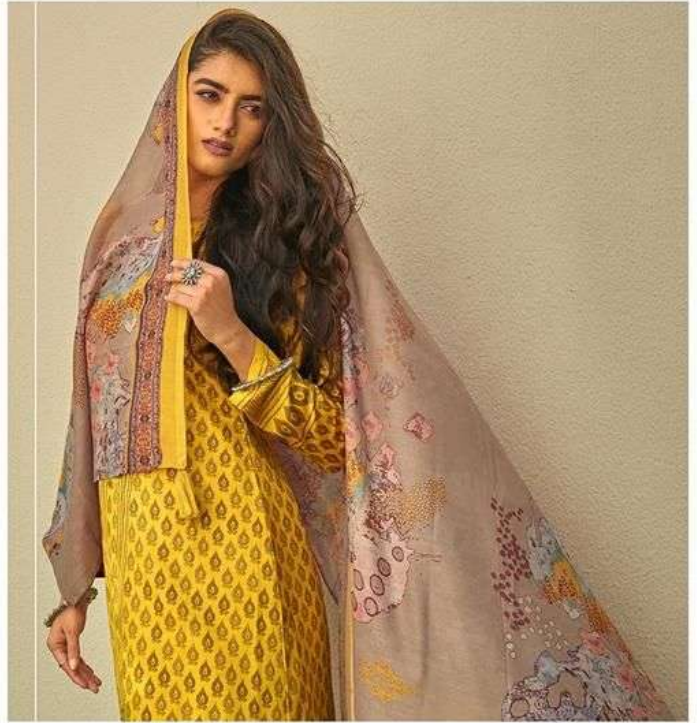

You are a journey. You have  
memories and  
dreams, and take me  
throughout the places  
where you  
discovered yourself.  
When every  
detail of your  
world is dressed  
because you respect to  
live,  
giving us time to  
have the others.

# DESIGNED

FOR ANGELS

You are a woman. Your dress  
inspiration is art,  
music, and like any  
inspiration has plenty  
more and  
dimensions unexplored.  
When every  
thread of your  
magnificent garment  
becomes an integral part  
of you,  
gazing at you a  
heart now unfolds.
