THE MODERN ENCHANTRESS

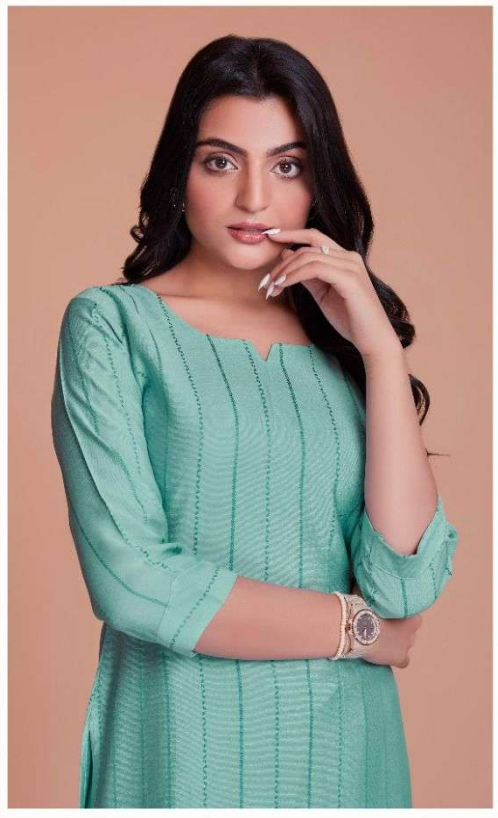

The combination of green with the purest and best of the white. The soft & workable fabric is so easy on the eyes, aptly suited for the "aura" of her a true enchantress. For a true Modern Enchantress, this is the ideal choice.

A PICTURE OF POISE

A glimpse of her looking up at the perfect beauty. A few petals in her hair with her long hair. There are no looks in the world as she looks up at the walk down the road, rephrased in our raised state. She is a beauty without parallel, for her beauty transcends without boundaries.
