

the most wearable trend

Fashion is not of the daily, it only changes at the time, with all the events. You can wear and the approaching of a occasion in clothes. You can wear and feel everything in clothes.

46011

elegance with attitude

Style is the only thing you can't buy. It's not in a shopping bag, a label, or a price tag.
It's something that flows from you and for the outside world — an attitude.

46012

the most wearable trend

Fashion is not of the daily, it only changes at the time, with all the events. You can wear and the approaching of a occasion in clothes. You can wear and feel everything in clothes.

46011

admire of beauty

Fashion goes on top, but it's a new person. The key to style is knowing when you are in the right place. There's no one more elegant than you. It's about self-expression and, above all, attitude.

46008

enrich your wardrobe

It is not merely what you wear, it is wearing the garment. It is of the nature of the world, it is there, under the power of the sun, the moon and stars. It is a dress.

46009

the joy of dressing

For more information, visit our website at www.mf.com. The joy of dressing is knowing that you are wearing the best. There is no better way to style. It's about the experience and how it feels.

46010

eternal sense and sensibility

Fashion is not just a garment. It is life, it's a way of living, and the way you feel, your pleasure, it is how you feel well.
