*She stands in a land known for
its culture, its heritage, its
beauty and its untold riches.
And yet, with her beauty, her
charm and the grace
of her attire, she makes the
significance of
the land around her. That in
essence, she is
prouder in the soul, than
handbags, or rings is shown.*

The SUBLIME sheen

*Shimmer may call their glitters as real gold. But enough is
scattered when they stare at your dress across. They
realize that what you're wearing is more precious than
gold, and realize you look like a true goddess. The
beauty of the sublime sheen.*

VISAGE OF ENAMOUR

*It is said that you met a girl one fine day and all those days behind the first glimpse of
you they simply can't look away. Many wonders about you in themselves, but never
gotten in your dreamland. (What are you doing in the power of your own blood with the
eyes that never end, and forever all around you?)*

FRESH

*You are in the
center of my
world, from now
on, I will be
in the center
of your world.
I will be your
heart, your soul,
your everything.
I will be your
love, your life,
your everything.
I will be your
everything.*

REFLECTIONS

*When some flowers reflect they are but a mirror. Jewels, they mirror, as they are
pinned to the head together with a golden glow surrounding the crown of a man
having their style in ornamentation, and shines with infinite grace.*

BEAUTY PRISTINE

It is the beauty of the heart that is the most beautiful, and it is the heart that is the most beautiful.
