श्री matee fashion

My fashion is about the urban woman in the year. I think about obscure, weird things and try to create a world around them

CODE 133

Fashion is not something that exists in dresses only.
Fashion is in the sky, in the street. Fashion has to do with ideas,
the way we live, what is happening.

श्री matee
fashion

Over the years I have learned that what is important in a dress is the woman who is wearing it
