ROLI MOLI[®]
CREATION

A designer must be an
architect by design,
a sculptor by shape, a painter
by colour.
When a woman walks, the
dress should walk
with her, she should be able
to dance.

D.No.1004

ETERNAL

Some masterpieces define the
beauty of the eye they fit better in,
and the eyes that follow.
These colours cut of some eye
without compare, perfectness in
perfection, matchless in mag-
nificence.
