SPARKLING FINESSE

Once a great wise sage spoke of a sparkle, a glow which would consume the planet with its intensity. These maidens were born unto after, and from a very young age glowed brighter than the remaining universe. Filling their sparkle and that of their dazzling clothes have affected the universe with their inherent charm. The prophecy came true!

DAZZLING PATTERNS

Ajhone say they are not patterns. They're messages from a time when the world was younger and more beautiful. They've been carried into the exquisite garments of these classy maidens, for only they can bring about this age again with their grace and style.
