133 AUSPICIOUS MOMENTS

Efforts will be rewarded when a reward will be yours. Just remember to always keep your feet on the ground and your eyes on the stars. © Every moment in your presence becomes a transcendental experience for the world, and that's what counts.

A PRICELESS

*Of all the things in heaven and earth,
the most delicate is the human heart,
and the most precious is the love that
gives it its life and strength, its holy and
divine source. Do what the Lord*

**SPARKLING
FINESSE**

Once a great starry spot of a sparkle, a glow which would consume the planet with its intensity. These maidens were born with glow and from a very young age glowed brighter than the remaining maidens. Being their sparkle and that of their dazzling clothes have attracted the universe with their universal charm. The prophecy came true!

DAZZLING PATTERNS

Often say they are not patterns. They're messages from a time when the world was younger and more beautiful. They're woven into the exquisite garments of those living moments, for they are living about the eye spins with their grace and style.
