Fashion is the most powerful art.  
It's movement,  
design and architecture all in one.  
It shows the world who  
we are and who we'd like to be.

ENJOY SUMMER CELEBRATIONS

A new season calls for new outfit refreshments.

As the temperatures begin to dip, you feel the slight nip in the air and you know that it's time to swap your trusted lightweight summer dresses. With this spring summer collection, we endeavor to portray a sparkling new ethnic saga ZARA by KARACHI.

As a philosophy, we have always focused on elegance because our impulse to establish the distinctive identity of our label has always come from dignity of ethnic aesthetics.

The concepts are derived from contemporary techniques of comfort yet much steeped into traditional trace.

In this regard, our garments have maintained a very sophisticated methodology, silhouettes are free yet classic and casual, easy but abundant.

THE WAY OF RULING

Don't be into trends,  
Don't make fashion own you,  
but you decide what you are,  
what you want to express by  
the way you dress and  
the way you live.
