Style is the only thing
you can't buy: it's not
in a shopping bag, a
label, or a price tag.
It's something that
seeps from our soul to
the outside world—an
emotion.

"Fashion you can buy. But style you possess.
The key to style is knowing who you are
which takes years. There's no how-to road
map to style. It's about self-expression and
knowing it, embrace it."

Self Expression

Beauty in Everything

"I think there is beauty in everything. What normal people perceive as ugly, I can usually see something of beauty in it."

Style is important

Fashion you can buy, but style you possess. The key to style is knowing who you are, which takes years. There's no hard-to-look-trip-to style, it's about self-expression and above all, attitude.
