"What's my style is not your style, and I don't see how you can define it. It's some thing that expresses who you are in your own way."

UNIQUE

"Fashion is very important. It is life-enhancing and, like everything that gives pleasure, it is worth doing well."

BRAND SELECTION

"You gotta have style. It helps you get down the stairs. It helps you get up in the morning. It's a way of life. Without it, you're nobody. I'm not talking about lots of clothes."

"I think we all know/feel what we are. Nothing makes me smile more than when I see someone bring fully themselves, with their own individual style and character, wherever that is."

FASHION PASSION

"I think we all know happiness when we see it, but being made to smile more than when I see someone being fully themselves, with their own individual style and character, whatever that is."

GLAMOURS
"Don't be into trends. Don't make fashion own you, but you decide what you are, what you want to express by the way you dress and the way to live."
