"What you wear is how you present yourself to the world, especially today,  
when human contacts are so quick, fashion is instant language."

"What you wear is how you present yourself to the world especially today, when human contacts are so quick. Fashion is human language."

■■■ 1035-005 ■■■

"Fashion is not what you wear, but style is how you wear it. The key to style is in knowing when you are, what to wear, where, and how. There is no time, no road map to style. It is about self-expression and showing all, and more."
