A Fashion

"Fashion is about knowing according to
what's fashionable. Style is more
about being yourself!"

*"You are more the eye and ear than the choice of your shoes. For many women think that they are unimportant
but the real proof of an elegant woman is what is on her feet"*

Just as important

"Style is knowing what you want, who you are, and what you need. It's really all."

You can never take the work away
from the hands of your slave. For
they never think that they are so
important that the real proof of an
eloquent slave is what is on her
face.
