Fashion can do a lot

"I think fashion can do a lot. Fashion is very popular,
so it can help broadcast a message and reach a new generation."

1002

Define it
"What's my style is not your style, and I don't see how you can define it.
It's something that expresses who you are in your own way."

Reflected
"Style is the only thing you can't buy. It's not in a shopping bag,
a label, or a price tag. It's something reflected
from our soul to the outside world-an emotion."
